

# ANTHONY JERONE'S DOG TRAINING SCHOOL & CAREER INC.

June 25, 2008

To Whom It May Concern:

David Pappalardo graduated at the top of his class at Anthony Jerone's School of Dog Training & Career Inc. In January 2005 he took the Professional Dog Trainer course. He demonstrated knowledge, ability and enthusiasm in the field of dog training and I have every confidence that he will be able to handle and solve any dog training and dog handling problem that he may encounter with excellent results.

Mr. Pappalardo has an excellent rapport with dogs as well with their owners. He is able to teach the owners in a clear and enjoyable way in order to get the dogs to respond well to their owners.

Mr. Pappalardo class grades were excellent and he was very committed to getting as much hands-on experience as possible. He is one of the most enthusiastic, motivated and committed student that I have encountered.

It is my pleasure to recommend **David Pappalardo as a Certified Master Dog Trainer.**
